REMARKS

The undersigned acknowledges the courteous treatment received from the Examiner during a personal interview held on this date.

The claims as amended were discussed in relation to Aydt, Stehle, and EPA '874, the undersigned pointing out the differences.

The Examiner identified some possible improvements in claim language which have been adopted in this amendment. In addition, some additional claims have been canceled, and more clarifications in the claims in the light of the discussion have been made.

In view of the foregoing, it is urged that this amendment be entered.

It is believed that the claims clearly distinguish over the above references and should be allowed.

The Examiner is requested to call the undersigned or Mr. Kroll if further changes are required to obtain allowance of the application.

A favorable action is solicited.

Respectfully submitted,
